TRINITY 12

***Do not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern what is the will of God.* Romans 12.2**

Monday 31st August from 2pm: Barford Church Fete in the village hall, Barford St Michael. Please do come along, have fun and help raise funds for the Barford Churches. All the favourites, including tombola, raffles, bric-a-brac, refreshments, and much more to enjoy!

Deddington Annual Parish Show, Saturday 5th September, 2pm, Deddington Church: Programmes are available to pick up in the church, Co-op, Flower Shop, and Library, and are also available at Deddington Online. There will be refreshments, stalls, and a raffle, with all profits going to village causes.

Squiggles and Wriggles: Due to some changing personal circumstances, we are looking for one or two more volunteer leaders to join the team. The group runs each Thursday morning in term-time and is a great blessing to those who attend, many of whom now join us for the Family Service each month. There is no need for volunteers to be available every Thursday – a commitment to attend once a month would be very welcome. You would need to undertake some basic training and have an Enhanced DBS check to ensure we meet safeguarding requirements. If you're interested, please speak with either Jane Maharry: janemaharry@yahoo.co.uk, or Nick.

Ride + Stride 2026 is just around the corner. This sponsored event is taking place on Saturday 12th September between 10am and 5pm. You can cycle, walk, drive or even ride a horse between some of our neighbouring churches. You'll be raising money for our church and for Oxfordshire Historic Churches Trust, and also have the chance to explore some of the county's historic churches. For further details, contact Sarah Liebrecht (s.liebrecht2@gmail.com or 07976 523494) or look on OHCT's website: https://ohct.org.uk/ride-and-stride. We are looking for volunteers to man a stall in the church that day. If you feel you could do this for an hour between 10am and 5pm, please sign up on the sheet at the back of the church. Thank you.

ECO CHURCH When changing lightbulbs switch to LED bulbs. LED bulbs use only a tenth of the energy of traditional filament or halogen bulbs; they even save compared to the older low-energy bulbs.
