#### TRINITY 1

#### 6 JUNE 2021

Jesus' popularity causes anxiety among the religious authorities, who try to discredit his ministry by suggesting he is in league with Satan. Jesus cleverly unravels their accusation. It is by the Holy Spirit that healing, integration and transformation occur in people's lives, and denying the great works of the Spirit is unforgivable. Jesus' immediate family are anxiously waiting outside. Jesus calls into question these blood relationships – pointing to a new family comprised of those who remain close, faithfully following him and doing God's will.
