TRINITY 7

31 JULY 2022

Luke, whose Gospel we mainly follow this year, is the great storyteller. This is one of the best, and audaciously relevant for our day. For we imagine life is ours. With the right amount of exercise and high-fibre diet we might just live for ever, we think. We take life for granted. We store up wealth. But we must be rich towards God, say Jesus – God, the source and ending of life. And wealth, be it large or small, is not an end in itself, or for us alone, but for the common good of all God's people. *RSCM, Sunday by Sunday*
