How much energy are our 42 solar panels generating now?

How much electricity have they generated since Jan 2012?

How many tonnes of CO2 have they saved?

Have a look at the display above the kitchen. They have helped us win our Bronze ECO-Church award, and earn us £4K a year.

“I promise you that today you will be in Paradise with me.”

CHRIST THE KING

20 NOVEMBER 2022

George MacLeod, founder of the Iona Community wrote: 'Jesus was not crucified in a cathedral between two candles, but on a cross between two thieves, on a town garbage heap.' This is our God, who shows his power both in the crib and on the cross. What sort of power does this king wield? It is vulnerable, suffering and redemptive love, the power of love which subverts all the love of power in the world. It takes one of the criminals to recognize this and receive an amazing response from Jesus: 'today you will be with me in Paradise.'
