St John the Evangelist Hempton

Second SUNDAY before Lent

12 FEBRUARY 2023

[Matt 6.25-34] In a world in which we are encouraged to ensure ourselves against all possible futures, and in which, over the last three years, much of what we thought was certain has been called into question, Jesus' invitation not to worry about tomorrow is as challenging as it is comforting. But in these verses there is something more fundamental: the assurance of God's love for all creation, including us, and that this love is the one certainty in the changes and chances of the world.
