In 1990 Bishop John V Taylor foresaw 'an affluent lifeboat on a sea of poverty' from which the survivors beat back the multitudes of unwanted people who are desperately struggling to clamber on board. Prophetic? The UN predicts that by 2050 there will be 1.2 billion economic migrants. VH

MOTHERING SUNDAY

19 MARCH 2023

On the cross, Jesus is surrounded by those who loved him to the end – the only ones left standing by him in his darkest hour. Jesus' death is an act of divine love, but one of his last acts before his death is also an act of very human, relational love: out of the grief of his mother and his beloved disciple, he creates and blesses a new family. *RSCM, Sunday by Sunday*
