A big thank you to David Odell for all his work stabilising and repairing the heating channel gratings in Deddington Church.

We have a full size table tennis table in Deddington church which needs a new home. If you know of any youth group or similar organisation that would like this, please speak to Caroline.

ECO CHURCH Eco-church champions from Deddington and Barford churches attended the DEN/BEN event on Monday last week. Helen Hall explained Eco church and the steps we have taken and are planning to take to care for our environment both locally and globally. Representatives from Friends of Castle Grounds, The Hospitality Hub, the Allotments, DEN and BEN also enlightened us on their vision and actions. A meal of rice, chilli and guacamole was served by Gregg Brown (who also spoke on behalf of Deddington Farmers Market stall holders)- all 'plant based' and totally delicious. This was followed by a fascinating talk by Dan Desmond on climate change. The aim of the meeting was for groups to share their vision and what they are doing or plan to do so that all can work together.
