## TRINITY 8

## 7 AUGUST 2022

This is one of the more surprising stories in the Bible, though read too quickly and you'll miss it. We must be like ones waiting for their Master's return, says Jesus. We must be ready. We must be alert. So far so good. Everything as we'd expect. Then comes the twist. The master does return. The servants are ready to serve. But this doesn't happen. The master sits *them* down. He waits at *their* table. He serves *them*. It isn't just at an unexpected hour that the master returns; it is with an unexpected humility as well.
